**** StarStruck ****

Our students have been working very hard to learn their dances for StarStruck. They will be practicing again on Tuesday and Thursday and those practice times will be a closed practice while they finalize entering and exiting the stage. Only the students will be allowed to attend these practices.

Tickets are \$5.00 for each performance. If you have two students and they are in different shows, the second night will only be \$3.00 each and are available in the office. DVD's of the performance will be available for order that evening. This is being done by a professional company. Pick up an order form at the show.

STATE TESTING (SBAC)

Testing starts on May 1st. Please make sure your child gets plenty of sleep and a good breakfast.

Volunteers: If you see a TESTING sign on the classroom door, please do not enter. The teacher is the only adult that should be in the classroom during testing. Thank you!
