DOCENTS

Lincoln Crossing Elementary has an amazing Art Docent program thanks to our parent and neighborhood volunteers. We want every child to experience and enjoy art. To make that happen, we need your help! Get involved and volunteer for the most rewarding and enjoyable job.

- Art Docents teach one or two art lessons per month (roughly 1-1.5 hours per lesson)
- No experience required – just a passion for kids and a desire to get involved
- Training offered and lesson plans provided
- All supplies and resources supplied
- Flexible schedule to be coordinated between Art Docent and teacher

Please feel free to contact Pam Elkins (pielkins5@gmail.com) or Elizabeth Cheairs (elizabethcheairs@yahoo.com) with any questions!
